Bio

Trife is a Charlotte, NC by way of NYC area open format dj, producer, and turntablist. He has earned national acclaim DJing the Vans Warped Tour, making guest appearances on BET and Fuse TV, and his productions have appeared on VHI as well as national campaign ads for thetruth.com. A seasoned turntablist, Trife has placed in the DMC, Guitar Center, and IT national DJ competitions while honing his party rocking skills in NYC's top nightclubs and spinning for the world's top corporate brands. His fusions of dance music, hip-hop, and indie genres, along with his turntable virtuosity create wondrous DJ performances that wow crowds throughout the United States, Canada, and the Caribbean. His diverse clientele and events resume are the roots of his flexibility and professionalism. Extensive music knowledge, masterful execution, and over a decade of boundless clientele are why Trife is one of the top open-formats DJs in the world and will deliver a mind-blowing performance at your event.

Very few DJ's have the combination of turntable mastery, incredible music knowledge and the look, but Trife has it all. Having built a name for himself as one of the best turntablists and battle DJs on the East Coast, he is able to expertly apply his battle skills - mixing, beat matching, live mash-ups - when spinning private events, bringing an exciting and fresh spin to DJing, and creating an infectious mix of music that's all his own. He is a "go to private party and event DJ for clients like Details Magazine and Neman Marcuse and athletes like Richard Jefferson. His upbringing on soul, rock and house provide him with a deep music knowledge, and his personality makes him instantly recognizable. Whether he's rocking a club or private event his one true passion is to keep everyone dancing all night.
